# BEST OF FAV GROUP OF COMPANIES

*Vawda Group, founded in 1984, is widely recognized as a leading provider of high-quality dyes and chemicals for the textile industry. Through our specialized business units, we offer advanced solutions to customers throughout the country. Leveraging the expertise of our skilled workforce and state-of-the-art technologies, Vawda Group offers a range of products, including Masterbatch, Confectionery, air compressors, industrial inverters, security equipment, thermal papers, photo papers, toners, and toner cartridges. In addition to our focus on textile auxiliaries, the Group also emphasizes the supply of toner, further diversifying our offerings to meet the varied needs of our valuable customers.*

# FAV TONERS

*Farid Ahmed Vawda (FAV) operates a network of offices across the country that maintains regular communication with their principals. These offices conduct surveys and gather feedback on the performance of their products to ensure that only the best options are selected for their valued customers. FAV has implemented a system that relies on user input to ensure that the products they supply are consistently delivering on their commitments.*

## OUR INK CHARACTERISTICS

- ☑ **High color fastness**
  Color fastness after printing reaches level 4 not easy to fade, long color presevation time.
- ☑ **High concentration**
  Compare with Du Pont's textile ink our DTG ink is more colorful, white ink has high whiteness and high coverage rate.
- ☑ **No color deviation**
  With Icc color managment technology, the effect is more delicate and natural , the image reproduction is high
- ☑ **Environmental protection**
  Our pigment ink already acquired Eco Passport by OEKO-TEX authorization.
- ☑ **Printing soomthly**
  Continuous printing at least 80 meters.
- ☑ **Never clog the nozzle, no damage for printers and print heads**
